## UNITED WE STAND DIVIDED WE FALL

The 1963 Annual Meeting of the Electors of the Town of St. Albert will be marked in our great history as the Meeting of Justice, and a victorious march towards unity of the past and future. In a certain way, we all should be thankful that because of this petition we have found each other in an overwhelming majority, not only behind our Council, but more, we demonstrated that as Roman Catholics and non-Roman Catholics we love our town and history, and that we will fight for it the moment that it is in danger. More than 400 oldtimers and newcomers, a record for St. Albert, and maybe in Alberta for annual meetings, crowded our historic Community Hall to show everybody that we CAN solve our own problems. We are proud to live in such a community where, after days and months of insecurity, troubles, misunderstandings, personal fights and religious controversies, the St. Albert community came back with a strong desire to stop, once and for all, any low-level destructive actions which nearly ruined all the good work done in the past by petitioners and non-petitioners in our town. Most of us felt that the petition, right or wrong, should have been presented to the Council during this annual meeting, where it could have been discussed amongst ourselves.

What an evening when democracy, under the excellent and very able conduct of Chairman Mr. W. A. Penrose, conquered on all fronts! Many thanks to this chairman for the tremendous job he has done!

What an evening, at the moment when the vote for chairman showed the raised hands of so many Roman Catholics in favour of Mr. Penrose, and so many Protestant hands raised for Mr. Soprovich! Who said that we are divided into two religious groups? And who dares to say this in the future? There is no longer a place in our town to express ourselves as "They" and "We", but only a proud "We" should echo all over our town. The victory of this annual meeting is not for "Them" or "Us", but for "All of Us".

The correct attitude of petitioners and non-petitioners in showing such an understanding manner for each other's problem was the surprise of the evening, and promises a great future for our town. If we should ever have another crisis in our town, let us ask for another Town Meeting, such as the great one we have had now, where we discovered that we all belong together, to defend our lovely town and district against any attack from outside!

### GOOD NEWS

Elsewhere in this issue you will find published the complete Recreation By-Law for our town. The Recreation Board will consist of 8 members, representing Council, Schools Boards and also each neighborhood Recreation Committee. These committees are being made up of interested citizens of Mission Park, Grandin Park, Sturgeon Heights and Braeside. This is good news for those districts as it will ensure that each of them will have a prominent voice in the Recreation Board. Citizens of the various districts should now come together to form as soon as possible, their district Recreation Committee, so that their children will be assured of good and healthy recreational activities during the coming spring and summer.

We would like to express our opinion that members of the Recreation Board should be persons who have proved in the past to be active in any kind of recreational activities in our town. Those members should also be generally recreational-minded, which means that they are convinced of the necessity for culture and sport to go hand in hand, to make the recreation in our town a great success.

# MAYOR'S REPORT ANNUAL MEETING

FEBRUARY 25, 1963.

I am very pleased indeed to welcome you on behalf of Council, and on my own behalf, to this Annual Meeting, and to thank you for this opportunity to present the Mayor's Annual Report for the year 1962. This is the thirteenth consecutive occasion upon which I have had the honour and privilege to do so. My first comment is a word of welcome to all our new residents who have established themselves in our town during the past year, and to wish them every success in their association with us. We want you to know that we are glad that you came. I am sure you will all be interested in the welfare and growth of this community and eventually help to shape its destiny.

During the past year, there were 334 homes occupied, bringing an estimated increase of population of 1,270. The business of the Town's administration was conducted during 25 regular meetings and four special meetings. On July 3rd, 1962, the Town was reverted from New Town status, and the newly elected Council took office on that day. The new Council's first task was to make itself acquainted with town affairs. It was informed that the budget for the year 1962 had been approved by the Local Authorities Board and the mill rate set at 45 mills. The day and hour for holding regular meetings was set at 6:30 p.m. on the second and fourth Monday of each month. This was done to allow the public to attend the Council meetings.

On July 23rd, the Council received the Town Manager's resignation. On August 8th, arrangements were made to terminate his contract with the Town on a mutual basis. It was mutually agreed that he should be given terminal leave of five weeks with pay, plus ninety days severance pay, terminal leave to commence at 5:30 p.m. on August 10th, 1962. Mr. Syd Billings was then appointed as Secretary-Treasurer and took office on August 13th, 1962. Mrs. Williams was appointed to the position of Welfare Officer, also on August 13th.

On August 8th, Council appointed a temporary Management Advisory Committee to assist the Secretary-Treasurer in carrying out the policies of the Council. On August 27th, Council also appointed a Technical Advisory Committee to deal with the technical problems. On October 9th, 1962, the Council appointed an Architectural Panel made up of local architects. The Management Committee was disbanded on November 13th, as it was felt by Council that a regular Council Meeting every Monday would be better and time saving. On August 27th, Council received the resignation of the Town Engineer, effective September 21st, and immediately arranged for our consultant firm of engineers to have Mr. Jack Bredin act as Town Engineer. To date this arrangement has worked out very satisfactorily. In spite of all our problems which Council inherited from the previous administration, I believe that the business routine was carried out satisfactorily, as the records will reveal to anyone genuinely interested.

Now I would like to quote a few statistics to you. In the matter of Assessments:

1961 showed that the Town had a net live assessment of \$	6,086,848.00
1962	7,847,710.00
and 1963	10,236,397.00

In the area of population growth, the

1960 population figure stood at	3,072
1961	3,940
1962	5,249

These are census figures taken in the month of May in each year. On December 31st, 1962, we estimate that the population stood at 6,500.

Regarding Building Permits, during the year under review, we have issued the following permits:

Fire Hall	1
Residential	461
Commercial	3
Other	82

For a total of 547 permits.

This represents a total permit value of 5,712,828.00. This compares with the

1961 permit value of	4,105,463.00, and
1960 permit value of	3,082,330.00.

This points to a healthy growth, and we can see no reason at this time why this should be curtailed.

Construction under the Development Scheme. During the past year, the following construction was undertaken by the Town:

Storm Sewers	2.8 miles for a total to date of 4.5 miles
Water Mains	2.6 miles for a total to date of 24 miles
Sanitary Sewers	1.3 miles for a total to date of 22 miles
Paved Streets	5.2 miles for a total to date of 19.7 miles
Gravel Streets	5.3 miles for a total to date of 16.7 miles
Total Street mileage at the end of 1962 was	36.4

Other Accomplishments. During the year under review, besides sorting out its inherited problems, the Council accomplished many things. The following are some of the important items. The establishment of the Sturgeon Civil Defence Unit, with St. Albert's participation therein, Council's representative being Councillor Wheatling. We also appointed a part-time Civil Defence Director in the person of Mr. J. Bauman. I sincerely hope that our citizens will benefit by these arrangements.

The street lighting programme was completed during the year and has added greatly to the safety and convenience of our citizens.

The Council commenced the construction of the Fire Hall under the Winter Works Programme. This will ensure that we will have an adequate fire fighting system.

Preparation of a new Traffic By-Law was commenced, and a new Dog Control By-Law was prepared in 1962 and passed in 1963. A new Dog Pound was established to accommodate impounded dogs.

The Recreation By-Law was prepared during 1962 and passed in 1963. The Recreation Board will be set up prior to March 18th, 1963. We hope that many interested people in recreation will offer their help in establishing a sound programme. The R.C.M.P. Detachment for the town policing was increased in strength by one constable, and an additional constable is to be posted here on April 1st of this year, bringing the detachment strength up to five men. We hope that this will provide us with adequate protection for a while.

Three new stages of subdivision were opened during 1962 and are still in the process of servicing. These are Stage 4 of Sturgeon Heights and Stages 4 and 5 of Grandin Park. Last year also saw the completion to paved streets of Stage 3 of Sturgeon Heights and Stage 6 of Grandin Park.

A new Interim Development By-Law has been prepared and is now awaiting the approval of the Provincial Planning Advisory Board. The Council has also prepared a Development Staging Proposal which, after consultations with the land owners concerned, or their agents, or both, and after any changes have been effected as a result, will become the policy with regard to the staging of development for the Town.

An agreement between the Town and the hourly employees of the Town, to be known as "The St. Albert Civic Employees Association", is presently being prepared together with a personnel policy for the members of the salaried staff. All employees have been provided with a Medical Insurance Plan, Hospitalization, Life Insurance and Sickness Benefits.

In summary, 1962 has been a tremendous year for us all. There were more houses built and more construction than in any previous year. We also entered into a period of adjustment and stocktaking when we reverted from New Town to Town. This reversion has posed our greatest problem. 1963 may well see many records broken and it is my wish and the wish of my colleagues on Council that we shall see an end to our financial and other problems this year. It is also our hope that any misunderstandings which may have arisen will be cleared up in the very near future. We are confident that right will triumph and our town will proceed to develop in an orderly and honourable fashion, to take its place without shame or tarnish amongst the municipalities of the Province of Alberta.

# ANNUAL MEETING

The Annual Meeting of the Town of St. Albert was held on Monday, February 25th, 1963, at the St. Albert Community Hall. Minutes of the meeting held February 26, 1962, at which Mr. Lee presided as chairman were accepted by the meeting, moved by Mr. Gibson and seconded by Mr. Schriber. A motion to dispense with the tape recorder was defeated - 148 against and 123 for. The motion was made by Mr. Doug Petherbridge and seconded by Mr. Dick McGee.

Mr. Thorby moved the acceptance of the Auditor's Financial Report. The motion was carried.

Mr. B. Filuk questioned taxes receivable as outlined in the Auditor's Financial Report. Mr. Leard, Auditor for the Town of St. Albert, replied breaking it down roughly: \$65,000. taxes collectible, \$398,000. current and \$98,000. outstanding from previous years.

Mr. F. Upright noted that according to the Financial Report, a water supply fund surplus should cause a reduction of the \$7.00 monthly Water & Sewer bill. Mr. Leard pointed out that an error had been made and that 'surplus' should be replaced by 'excess of expenditures over revenue' in the report. With revenue being \$83,718 and expenditures being \$114,427, the excess or deficit is \$30,709.

Further to the subject, it was brought to light that St. Albert has so far unsuccessfully been attempting to have Water & Sewer bills reduced.

Mr. Wm. (Bill) Blackie moved that a percentage comparison of figures with other cities and towns regarding evaluation of property exempt from taxation be obtained. The motion was seconded by Mr. Willis and carried.

With approximately \$1,000,000. (loans, etc) and \$400,000. in taxes receivable, Mr. Doug Petherbridge asked if the "fluid" \$600,000. was offset on the Recoverable side by some "fluid" asset. In reply, Chairman Bill Penrose commented that taxes would be increased. Mayor Veness stated that this is not the stand Council takes, and that as the Town's financial status is inherited, some plan must be prepared whereby a tax rate would be arrived at that would be fair to all.

"Although the cash position is not as we would all like, how sound is St. Albert?" was the question put to a representative of Deloitte, Plender, Hoskins, & Sells, Auditors for the Town of St. Albert. The reply was "After our analysis of the financial statements of the last 5 years, we found the accumulated deficit of the General Revenue \$260,000. and \$84,000 deficit in the Capital Fund when everything under construction is completed. We have an asset to borrow money for current expenses." He further stated that assets over liabilities are in a good position although current assets over current liabilities is poor. A full report is expected by March 1st. It was moved by Mr. Mockford and seconded by Mr. Briant that the Municipal Inspector's Report be received. It was moved by Mr. Donais and seconded by Mr. Hebert, that the Town's reply to the Municipal Inspector's Report be received.

In answer to a question, "How much influence on 1962's final figures did the 'inherited' financial status have?" the chairman stated that these figures were carried forward and were the same. Mr. Hephurn however, said, "I wouldn't put it that figures were carried forward and

remain the same. In fact, they have been worsened during the past year because the budget had been drawn up and did not allow for mill rate increase." He further stated that purchase of assets, miscalculation of improvements refundable caused the situation to worsen in the Spring of 1962. It was further compounded because the budget was not followed and the Council was not in the position to follow it as the mill rate was already set.

Mr. Gordon Parkes, ex-Secretary-Manager of the Town of St. Albert, denied that 1961 was ended in a poor financial situation.

In reply to a question by Mr. Sollanych, regarding the appointment of a new Secretary-Manager after seven months ago having accepted Mr. Parkes' resignation, the mayor replied that Council had not decided whether to have a Secretary-Manager or to continue in committee. Councillor DeBruijn said that every effort had been made to retain Mr. Parkes, including a request that the resignation be withdrawn.

Mr. Maloney moved a vote of confidence in Council. The motion was seconded by Mr. Bouchard and carried by a near-unanimous majority.

In answer to the question, "Is construction of the Fire Hall continuing during the research necessitated by the petition Council stated that "Yes, construction was continuing."

It was moved by Mr. Perry and seconded by Mr. R. Gilley that the Mayor's Report be accepted.

My sincere thanks to the members who served on the Board of Administrators, the members of the new Council, the School Trustees or both School Districts, the members of our Staff and to all our Ratepayers and Electors for their co-operation during 1962. Let us remember that our community, as well as any other, will only be successfully built if it enjoys the co-operation of all, for without co-operation and unity this community will not prosper. I ask you to support your Council to ensure the continuing growth of our Town on good, sound, Christian principles.

**MAYOR VENESS SPECIAL REMARKS**

To the majority of the people of St. Albert, it would no doubt appear unreasonable and incompatible with honesty and integrity if I was to say nothing about, or to ignore completely the petition which is in the hands of the Minister. I wish to repeat that I, and the Council as a whole, welcome this opportunity to place our record to the scrutiny of an investigation. I am confident that all items mentioned can be, and will be explained to everyone's satisfaction without exception. Nevertheless, these accusations and allegations, together with rumours, appear to be part of a grand design to make things rough for the Council, so rough, it is probably hoped that the Council will break up and resignations will be prevalent, consequently, an administrator or a new election would be forthcoming.

May I be permitted, Mr. Chairman, to state in no uncertain terms that we will not be pushed around any longer, we will not be goaded to push the panic button. No, Ladies and Gentlemen, we will not panic, we will not be stampeded into resigning, there will be no Munich in St. Albert, no capitulation to the forces of evil who are concerned only with personal gain.

It is time to bring out the dirty linen, which is alleged to have been soiled either by use, misuse or ill use. We as a Council also have found many things which need a thorough cleaning. In order, Mr. Chairman, that the affairs of the Town be investigated and the present Council cleared of any of these and any other allegations, we have requested the Department of Municipal Affairs to proceed, without delay, with an investigation concerning the management of the affairs of the Town. When a person is ill or indisposed, it is often prescribed that a dose of salts or castor oil might be beneficial. It usually is. When a community such as ours seems to be sick with the same symptoms, then a similar prescription is in order and should be taken without delay.

We hope that this investigation will have the desired results and the patient will recover to rise to greater heights, because it is important to remember that the seeds of division have been sown in our midst, together with the seeds of mistrust. There can be no unity where there is division, there can be no trust where there is mistrust, there cannot be any pride in a community where public officials are the object of a smear campaign. No, enough is enough, off with this yoke of depressing harassment. Let us unite, all of us, as we are united on Council, first to clear the Council's name, second to clear St. Albert's name, and thirdly to make a step towards a united St. Albert and banish division and separation forever. It is my duty, and it is also your duty, to see to it.

### ST. ALBERT UNITED CHURCH ANNUAL MEETING

The Annual Meeting of St. Albert United Church held on 10 February received reports from the officers and organization of the congregation. These indicated a growth in almost every aspect of the church. Collectively they reflect the onward march of the congregation as it moves toward the goal of providing a place where Christians may gather for worship, witnessing, study, fellowship and service.

The congregation has a Morning Worship service every Sunday at 9:45 a.m. between Thanksgiving and Easter and at 9:30 a.m. during the remainder of the year. The services are planned to give recognition to the major celebrations of the Christian Year while attempting to make the Bible's contents familiar to the worshippers. The Sacrament of the Lord's Supper is celebrated on the first Sunday of each month and this is supplemented by extra services at Christmas and Easter. The Sacrament of Baptism is given upon request. During the winter months an evening service is held at 8 p.m. on the first Sunday of the month. One unusually fine aspect of these services is the music. Mrs. P. Upright plays the organ and leads a fine senior choir of some 20 voices at the Morning Service. This choir practices on Friday evenings at 8:15 p.m. in the church and is hoping to increase its size during the coming months as interested persons find their way into its ranks. The Morning Service is assisted by the Junior Choir on the 4th Sunday of each month. The Junior Choir (Grades 1 - 8) is trained by Mrs.

J. Goodkey and Mrs. J. Dobbie on Thursdays at 4:15 p.m. in the church. The Evening Services feature congregational singing which is led by Mr. Roy Gilley and a guest musician or soloist. Mrs. E. G. Hole is the organist for these services.

Recognizing that worship apart from understanding often becomes a "mechanical" thing, the congregation has a Christian Education Committee under the chairmanship of Mr. Bruce Filuk which co-ordinates the educational activity of the congregation. The following indicates the scope of their more or less formal educational activities:

Nursery: Sundays during the service hour for children 2 years and less. This provides a service to enable mothers to attend church and introduces the children to a "group" situation. Mrs. R. Green supervises the Nursery. For information call 599-7105.

Tiny-Tots: Sundays during the service hour for 3 year olds. This introduces the children in a relatively small group to some of the activities that are characteristic of the Sunday Church School which they enter the following year. Mrs. Mockford (599-6040) is in charge.

Church School: Sundays during the service hour for those 4 years to Grade 3. This is superintended by Mr. Mockford (599-6040). A special class for Juniors (Grades 4-6) from the rural areas is held during this hour under the direction of Mrs. R. Tarvis.

Junior Church: Sundays at 11 a.m. for Grades 4 to 6 in the Lower Hall of the Church. For information call Mr. Mockford (599-6040).

Teen Church: Sundays at 11 a.m. for Grades 7-9 in the Sanctuary of the Church. For information call Mr. Filuk (599-7428).

Hi-Schoolers' Bible Study: Wednesdays after school. The instructor, Dr. Schwam meets the members at Sir Alexander Mackenzie School and they drive to Winterburn United Church where they meet with a similar group. For information call 599-6933.

Adult Bible Study: The first 3 Tuesdays of the month at 8:30 p.m. in the Manse 31 Sunnyside Crescent. For information call 599-6933.

These activities are supplemented further by the mid-week program that not only includes worship and study but adds "fellowship and service" to its list of objectives. To this end the congregation offers the following programs:

Messengers: Saturdays at 1 p.m. at the church under the direction of Mrs. P. Senior (599-7186). This program is for boys and girls 6-8.

Explorers: Tuesdays at 4:30 in the church for girls 9-11 years under the leadership of Mrs. N. Barth (599-7403) and Mrs. B. Filuk (599-7428).

C.G.I.T. Tuesdays at 7 p.m. in the Church under the direction of Mrs. N. Kelly (599-6234) and Mrs. Sim (599-6778). This program is for girls 12-17 years.

Hi-C: Alternate Sundays at 7:30 p.m. under the direction of Mr. & Mrs. Hite (599-6131) and Mr. G.K. Sim (599-6086).

This is for High School boys and girls. Tyros: Will start in September under Mr. R. Sutcliffe for boys 9-11 years.

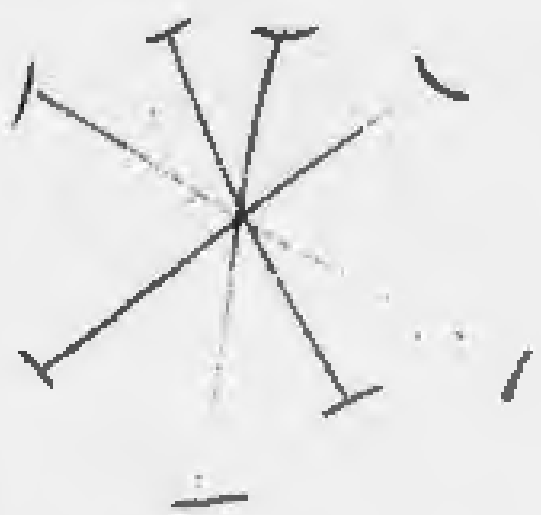

Seasonal activities under the direction of the Christian Education committee include the Summer Vacation Bible School which is held at the church during the summer vacation period and a camping program is being planned.

A mid-week program for ladies called the United Church Women is active. Mrs. Blackie (599-6318) is the President of the General Meeting which convenes the second Monday of each month at 8:15 p.m. in the church. Recognizing that distance time and other factors may prevent some ladies from attending the General Meeting Units are organized on neighbourhood lines. Interested ladies are invited to call the chairman in their area: Grandin Park call Mrs. Penrose (599-7289); Sturgeon Heights call Mrs. Hite (599-6131); Braeside call Mrs. Blackie (599-6318); Mission Park call Mrs. Richardson (599-6229).

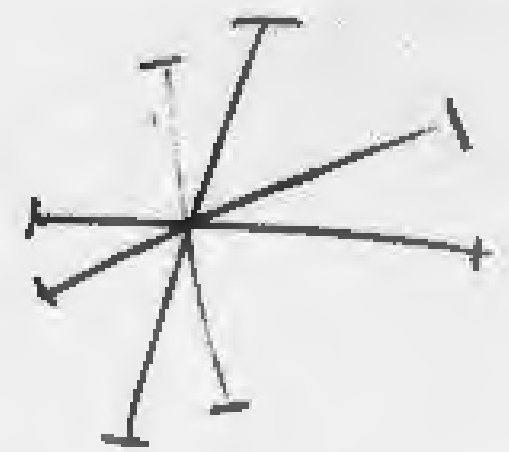

### CHURCH PARADE

Last Sunday over one hundred Boy Scouts Girl Guides and Brownies participated in a Church Parade at the 9:45 a.m. Service in St. Albert United Church. This Church Parade, which has become an annual event, marked Lord Baden-Powell Week. Rev. Dr. Schwarz was the speaker. His topic was "...like a tree..." and his Scripture readings were Psalm 1 and Matthew 7:15-20. Dr. Schwarz pointed out that both the Psalmist and Jesus likened a good man to a good tree, both are attractive, the tree in contrast to the desolation

of the desert, the Christian in contrast to the surrounding paganism; both are protective, the tree from the heat of the sun, the Christian from the heat of ruthless competition and self-centeredness that marks much of contemporary life; both are fruitful, the tree through the productivity of the branch, the Christian through the productivity of the good life; and both shall prosper, the tree through the care of the gardener who has "planted it by the rivers of water", the Christian through the guidance and care of God. ### ST. ALBERT UNITED CHURCH NEWS

At a quiet service at 1 p.m. on Saturday, February 23, Mr. Robert P. Logan and Miss Florence V. Pundick were married in St. Albert United Church. Mr. & Mrs. Logan will make St. Albert their home.

On Sunday, 24th February, the Sacrament of Infant Baptism was observed at the Morning Service. Baptised by Rev. Dr. S. R. Schwarz were Maralyn Dianne, Curtis Blake and Robert Brent, children of Mr. & Mrs. C. E. Watt; Janet Elizabeth, daughter of Mr. & Mrs. M. E. Millar; Cindy Mae daughter of Mr. & Mrs. W. R. Schiltroth; and Grant George, son of Mr. & Mrs. G. E. Proulx.

On Sunday, March 3, Communion will be served at the Morning Service (9:45 a.m.). The "Table" is open in this congregation

to professed Christians of all traditions. Evening Service (8:00 p.m.) will feature congregational singing led by Mr. Roy Gilley. The guest instrumentalist will be Mr. Bert Ward of the "Tail Gate Jazz Band". Mrs. E. G. Hole will be the organist. Everyone is welcome.

Adult Bible Study Class: Tuesday, March 5, at 8:30 p.m. in the Manse at 31 Sunnyside Crescent. Members are to have prepared Chapters 12-15, 17-19 of Genesis.

### UNITED CHURCH WOMEN, STURGEON HEIGHTS

The March meeting will be held on March 6 at 8:30 p.m. at the Schwarz residence, 31 Sunnyside Crescent. Ladies are asked to bring samples of work suitable for possible Bazaar items and to prepare for the Bible Study portion of the meeting by reading 1 Corinthians 12:4-11. Ladies in Sturgeon Heights are invited to attend.

## COMETS HOCKEY TEAM

The St. Albert Comets Hockey Team took the best 2 out of 3 games against Vimy in the Semi Finals. On Sunday, they played Morinville, beating them 14-4. This was the first game in the best of 5. The next will be at Morinville on Wednesday at 8:30 p.m., and the third on Sunday at 2:30 p.m. If the full five games are required, they will be played the following Wednesday and Friday, at 8:30 p.m. St. Albert ended up the season in first place, with Morinville in second.

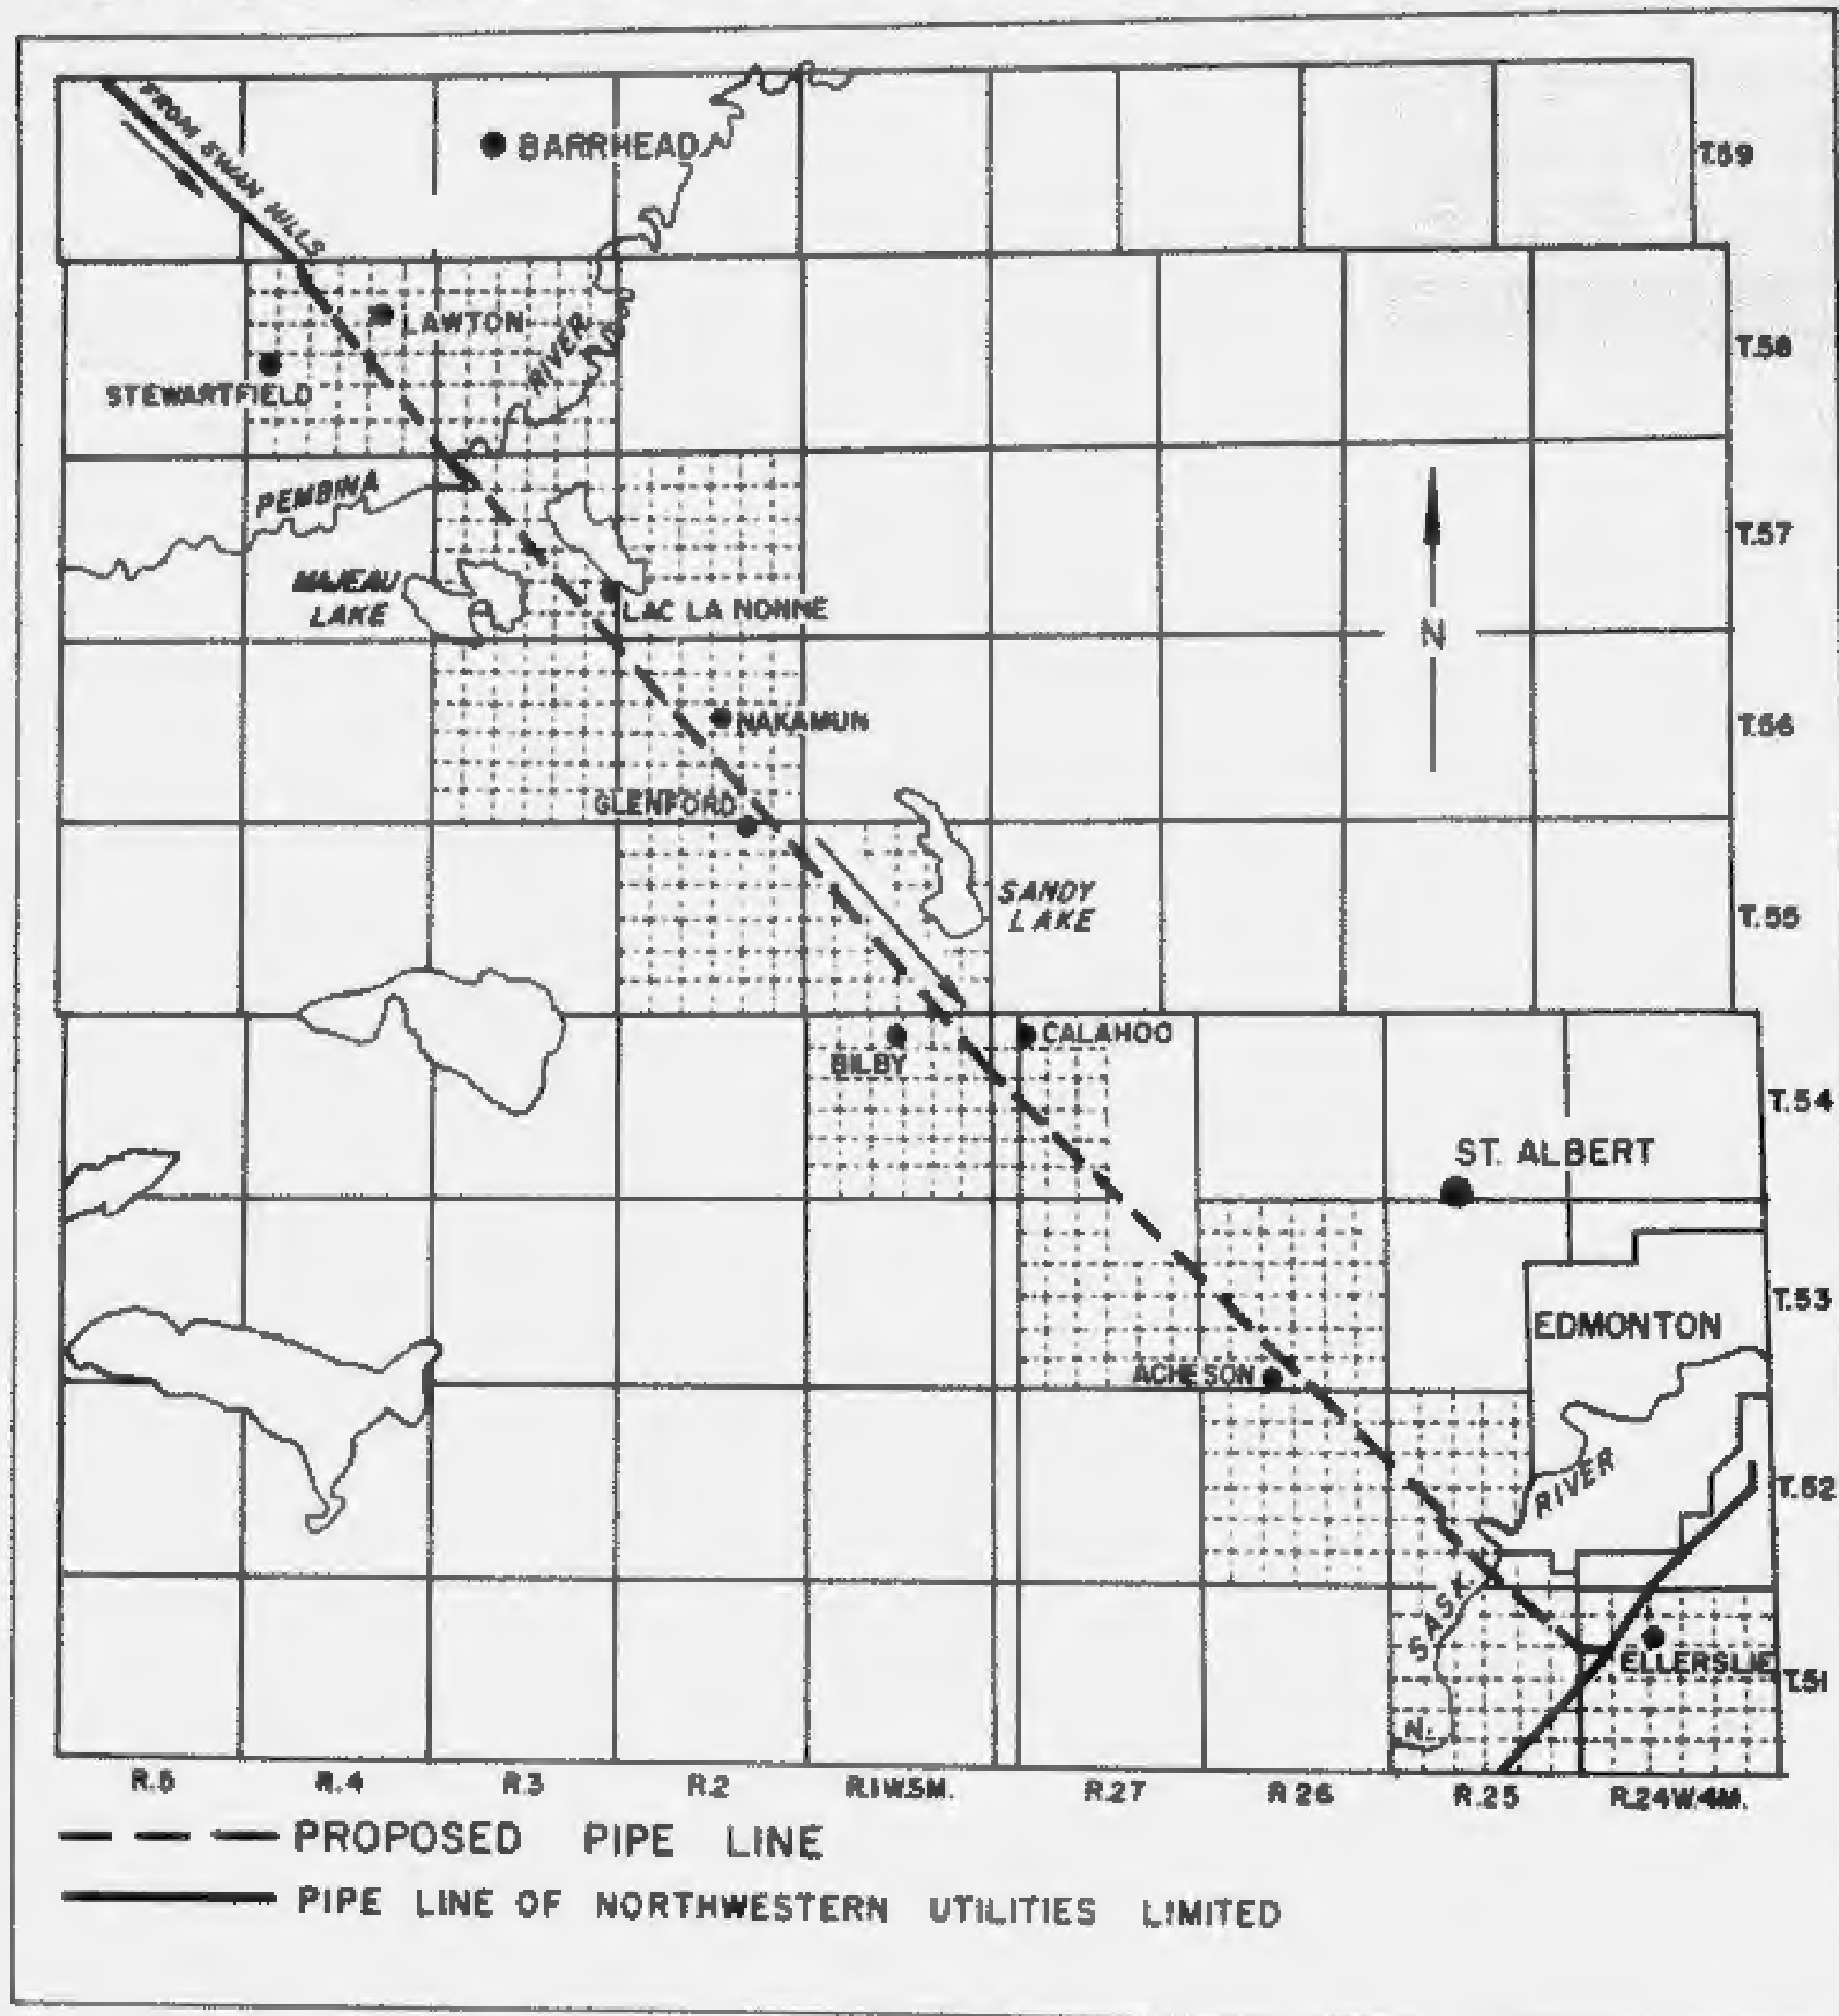

The Hockey Club Banquet will be held in March, the date to be announced later. The general public is invited to attend. Tickets will go on sale shortly.

## KLONDIKE NIGHT

About 165 citizens of St. Albert were at the Community Hall last Friday night to see the "Can Can Dancers", hear "88 Fingers Keyes" on the "Ole Pianee", and to win or lose \$1,000, \$2,000 or maybe even \$10,000 on the spin of a wheel or the turn of a card.

Klondike Night, the St. Albert Lions Club fund raising project, was a great success. Although the final figures are not yet in, they figure they raised around \$350. to \$375. which will be used to improve the Lions Park. Door Prize, \$50. cash, was won by Mrs. P. Proznik, 28 Salisbury Ave.

## HIGHLIGHTS SCOUT WEEK

The 1st St. Albert Cubs and Scouts climaxed the activities of Scout Week by holding a Father and Son Banquet on Sunday, February 24th. Highlighting the program were special presentations made to Scouters. Mr. Al Henry, President of the Landing Trail District Council, presented Basic Training Certificates to Mrs. Bertha Chamney and Mrs. Joan Gates. Mr. Dick Fowler, District Commissioner, presented the Wood Badge to Scouter Fred Upton.

The evening concluded with films.

## DISTRICT GOVERNOR VISITS LIONS' CLUB

Lions International District Governor, Virgil Moshansky of Vegreville, made his official visit to the St. Albert Lions Club last Tuesday, accompanied by Deputy District Governor Fred Bryant of Stony Plain and Zone Chairman, Keith Miller, of Westmount Club. Also visiting were Adolph Shep of Stony Plain, H. Houghton and P. Mollawak of Westmount and Nestor Zubreski of Vegreville.

Governor Moshansky spoke of Lionism as a means of personal service to the community and described the service work of the 700,000 members of Lions International now established in 118 countries of the world. He also told of the life of Melvin Jones, who founded the Association in 1917, and referred to him as one of the great men of our times.

After the regular supper meeting, the Governor met with the Board of Directors to discuss the affairs of the local club. During the meeting, President Dr. Cuts announced that 15 couples from the St. Albert Club will attend the Zone Social in Clyde on February 23rd.

## The Party Line

This is where our town is still the town of champions. The obviously feminine administrative group here might lead one to think that St. Albert has a lady council too. However, at present it doesn't have a hand in governing our town. Let's hope it moves in all levels of government throughout the entire country. Many are re-elected from other towns. Could St. Albert possibly be women representatives? The women are capable as men in every office. It was for a lady council, it would be wonderful, so put this question to those St. Albert members. - See you at the next meeting.

Mr. A. J. Clark, of a long standing, known and well respected. They were very busy talking and were very busy. Mr. A. Thompson, I have an interesting character of a lady council. It was for a lady council, it would be wonderful, so put this question to those St. Albert members. - See you at the next meeting.

## Club Notes

The Ladies Auxiliary of the Youville Home held their February meeting Tuesday February 17th. Mrs. Nell Ross provided the evening's entertainment showing slides of her European trip. She visited Ireland, England, Belgium, Italy and France. The highlight of the trip was the 1954 International Conference in Rome. The sisters of the Home served a lovely lunch. The Ladies Auxiliary held a square dance party February 18th. A square dance by Mr. J. Desjardins entertained. The next meeting will be held March 17.

## BROWNIE AND GUIDE TEA

The Brownie and Guide Thinking Day Tea was held February 23rd, in the Community Hall. Invited guests, Mr. D. Baker and Mrs. E. Hayes, poured. Many St. Albert residents took time out for a friendly cup of tea in spite of the rather unseasonal rainfall. The sale of home baking was very successful. The fish pond and candy sale were especially popular with the children. Mrs. Ethel Perrott and Mrs. L. Whilton, conveners of the tea, are to be commended along with the leaders and all the authors who generously contributed.

# RECREATION BY-LAW

A By-law of the Town of St. Albert for the purpose of establishing a Recreation Board to be known as the "St. Albert Recreation Board", to implement and pursue a Recreation program for the Town of St. Albert, in accordance with Section 340 of the Town and Village Act.

1. (a) The Board shall consist of eight (8) members, serving without pay. The said members as far as is practicable, to consist of:
    - (1) two members of the Town Council.
    - (2) one representative of the School Board, to include the Public and Separate School Systems, and each member to be appointed by their respective School Board.
    - (3) one member to be appointed from each Neighborhood Recreation Committee. Local Recreation Committee's to be made up of interested citizens in the neighborhoods of Mission Park, Grandin Park, Sturgeon Heights, and Braeside. Each member to be appointed to the Board by members of his respective neighborhood Committee.

(b) The term of office of the said eight (8) members shall be as follows: Of the two members of the Council, one shall serve for a period of two years, and the other for a period of one year. The remaining six (6) members of the Recreation Board shall serve for a period of one year each.

(c) All members shall remain in office until their respective successors are appointed.

(d) Retiring members shall be eligible for re-appointment for one further term only.

(e) In the event of a vacancy occurring the person appointed to fill such vacancy shall hold office for the remainder of the term concerned in the vacancy which has arisen.

(f) All persons appointed as members of such board shall be residents of the Town of St. Albert, and shall remain members only during such time as they continue to be residents of the Town of St. Albert.

(g) Any member of the Board who shall be absent from three consecutive meetings of the Board shall (unless such absence be caused through illness or he be authorized by resolution of the Board entered upon its minutes) forfeit his office and another member shall be appointed in his place, for the remainder of his term of office, provided that the member so forfeiting his office shall be eligible for re-appointment.
  2. (a) The Chairman of the said Board shall be chosen at the first meeting of the Board, which shall take place within one month of the date of the passing of this By-Law. A Vice-Chairman and a Secretary shall also be chosen at this time.
  - (b) Regular meetings of the Board shall be held at least once a month, the time and place of such regular meetings to be determined by the Board at its first meeting, but may be changed by the Board from time to time as said Board may deem advisable.
  - (c) Special meetings may be called on twenty-four hour notice by the Chairman or at the request of any three members of the Board.
  - (d) A Minute Book shall be kept and minutes of all regular and special meetings shall be recorded therein by the Secretary of the Board or the Secretary pro-tem. Copies of all minutes shall be filed with the Town Secretary.
  - (e) A quorum of said Board shall be a majority of members of the Board.
  - (f) The chairman shall have a vote on any question and in the event of a tie, the motion shall be lost.
  - (g) The Board may appoint sub-committee's to deal with any special phase of the matters coming within the scope and jurisdiction of the Board as herein set forth.
  3. (a) The Recreation Board shall have the power to draft such rules and regulations as it may deem necessary from time to time, provided such rules and regulations are not inconsistent with powers herein conferred. Copies of all such rules and regulations shall be filed with the Town Secretary-Treasurer and submitted for approval by the Town Council.
  - (b) The Town of St. Albert in co-operation with the Board and with the approval of Town Council shall provide, equip and supervise public playgrounds, athletic fields, recreation centres, and other recreation facilities and activities on any of the properties owned or controlled by the town, or on other properties with the consent of the owners and authorities thereof. It shall have the power to conduct any form of recreation or cultural activity that will employ the leisure time of the people in a constructive and wholesome manner.
  - (c) The Recreation Board shall be consulted on all matters affecting the development and maintenance of recreational facilities.
  - (d) The Recreation Board shall be consulted whenever it is proposed to lease or to sell or to otherwise dispose of any town land that is held for park purposes or for other public recreation purposes, and whenever it is proposed to purchase or otherwise acquire land for public recreation purposes.
  - (e) The Recreation Board shall make recommendations concerning the appointment by Council of a Superintendent of Recreation and such other staff as is deemed necessary.
  - (f) The Board shall co-operate with and encourage all organizations, public, private, civic, social and religious, within the town, supporting, promoting and working for town recreation.
  - (g) The Recreation Board shall hear and consider representations by an individual, organization or delegation of citizens with respect to recreation and act on such recommendations arising therefrom as the Board shall deem to be in the general interests of all citizens.
  4. (a) Annually the Recreation Board shall submit to the Town Council a budget of estimated expenditures and revenues for the next following year with respect to all matters over which, under the terms of this By-law the Board has jurisdiction.
  - (b) The Recreation Board shall make quarterly reports to the Town Council and shall make complete reports annually.
  - (c) Neither the said Board or any member thereof shall have power to pledge the credit of the Town in connection with any matters whatsoever, nor shall the said Board nor any member thereof have any power to authorize any expenditure or be charged against the Town of St. Albert.
- Read for a first time this 15th day of February A.D. 1963.
- Read for a second time this 15th day of February A.D. 1963.
- Read for a third and final time this 15th day of February A.D. 1963.

E. Dunik

The chairmen of the committees reported on last year's activities.

Civic Affairs: A representation was sent to the Town Council with regards to licensing bylaw, which is presently being drawn up, but not yet completed.

Membership: It was reported a paid up membership of 38 members for the year of 1962, which is reasonably good, but attendance to meeting has been very disappointing. A drive for new members is being put on in the month of March, that is the time Chamber of Commerce Week will be celebrated.

Civic Holiday Committee: The last Civic Holiday celebration held in St. Albert was a huge success both financial and entertainment wise. Plans are underway for a bigger and better day this year.

Xmas Lite-Up Committee: It was reported a very successful two years of sponsoring a lite up campaign, with a large number of people taking part. Prizes were given in two groups this year: (1) Christmas theme (2) lights.

Edmonton and Districts Chamber of Commerce: Reports several successful meetings with one topic being of great interest to us, this being the St. Albert, from 137 Ave. to 125 Ave. This organization is intending to send a representation to the City Hall as soon as all the necessary documents are secured. It is our opinion that this will be a very strong organization in the future and we should give it our strongest support.

The financial report was read and we are happy to say we are in the black, and have had a very successful year financially.

Here are some of the activities planned for this year:

(1) A business men's seminar for all the business men in the town, in March. We will try to have some of the top notch businessmen in the city to speak to us and should be very interesting.

(2) Civic holiday celebrations are already in the planning stages, and it is hoped that we will have a more successful year than last year.

(3) A plan is underway in which we will try to get all the retail merchants to get organized into one group instead of two or three individual groups working against one another. Every retailer is reminded that the only way to keep business in St. Albert is to advertise and promote St. Albert. This can easily be done by the Chamber of Commerce with all your co-operation, but the C. of C. is completely useless if we do not have this unity and co-operation. The retailers of this town are also reminded that any project taken on by the Chamber of Commerce is for the good of the whole, not for individual areas. I would like to urge the prospective members and organizers of these small groups to disband and bring yourselves and your problems to the next Chamber of Commerce meeting and we are quite confident that we can help you solve them in a businesslike manner.

The past executive would like to take this opportunity to thank everyone who helped to make this past year a success and hope that this year is even more of a success.

range of his talent. His rendition of the Aria from La Traviata (Verdi) was the highlight of the afternoon. Other selections by Mr. Gilley included: Give us the Open Road - Victor-Ambroise; Thine Alone - Victor Herbert; Passing By - Edward Purcell. Mrs. Lillian Upright accompanied Mr. Gilley at the piano. A visiting quartet of singers and instrumentalists "The Campus Four" gave two groups of numbers. Their selections ranged from popular songs and folk songs to spirituals, all arranged by the quartet themselves, and displaying musicianship. Their manner was intimate and personal, so that the audience felt at all times the urge to join in with the singers. Their numbers included Yellow Bird, Lonesome Traveller, Ramona, Mocking Bird and Whiffenpoof Song. Their humorous number, The Super Skier, was particularly enjoyed by the younger members of the audience. The personnel of the "Campus Four" is as follows: Don Vassos - leader and percussion; Frank Peterson - bass viol, Bill Catilano and Gary Hill - guitar and piano.

In the absence of two local artists, Irene LaFranchise and Mrs. Jean Dobbie, both unable to participate last Sunday, a "Mystery Guest" jumped into the breach. It proved to Willem Metelenbos, who gave several comic imitations - one of a Russian lover, quarreling with his sweetheart, the other of a trumpet. Mr. Vern Hittinger, also of St. Albert, accompanied him on the piano. We suspect that this young man has more than originality and imagination - perhaps a fine voice and ability to sing classics and light opera. We hope to hear from him again! Watch this paper for announcements of the March concert. A delightful program will be offered.

## SUNDAY CONCERT

The few music lovers who gathered in Vital Grandin School on Sunday afternoon were treated to an unusual and varied program. Though not strictly classical, as had been the previous concerts, it was well received by a small but enthusiastic audience.

The concert began with a group of numbers by our well-known local baritone, Mr. Roy Gilley. Although this young man has sung at various social functions in St. Albert on Sunday last, he displayed the full
